REGARDING DAMAGES AND  
DISCOVERY

17 I. STIPULATION

18 Consistent with Fed.R.Civ.P. 16 and LCR 16, counterclaim defendant BBC Group NV  
19 LLC ("BBC") and counterclaim plaintiffs Island Life Restaurant Group, LLC, Alex Prindle,  
20 and Brian O'Connor (collectively "Island Life"), through counsel, have met and conferred, and  
21 have arrived at the following stipulation, which is intended to simplify the issues, amend the  
22 pleadings, and to avoid unnecessary proof of facts at the trial.

23 1. While Island Life maintains that it has been financially damaged, it wishes to  
24 streamline this case, both in the discovery and trial stages, by striking only its claims for  
25 compensatory monetary damage. Compensatory damage is defined as claims for lost profits, or

other such damages that would rely on Island Life's financial records for proof, and does not include such things as statutory damages, punitive damages, disgorgement of BBC's profits under 15 U.S.C. § 1117(a), exemplary damages under RCW 19.86.090, or other such damages that bear no relation to Island Life's financial records.

2. In exchange for Island Life's concession above, and understanding that a number of BBC's discovery requests are mooted by this Court's Summary Judgment Order, (Dkt 65), BBC hereby agrees to strike its currently pending Motion to Compel. (Dkt 55-56). BBC reserves the right to renew its motion should this Court's Summary Judgment Order be reversed on appeal.

3. By entering into this stipulation to strike their claim for compensatory monetary damages, Island Life gives up only the one type of relief designated above, and expressly does not give up the right to continue to seek exclusive use the challenged mark, reimbursement of reasonable attorney fees and costs, or any other type of relief, whether statutory or common law, injunctive or otherwise. BBC will continue to oppose the relief sought by Counterclaim Plaintiffs.
